

CHAMP RX Plan Formulary

PROGRAM DETAILS:

1. Your No Cost Medication Program includes all medications listed on the Formulary at no charge.
2. You may pick up your prescription medication at the retail pharmacy of your choice (Over 50,000 in our network).
3. Only certain doses and forms for each medication are offered through this program.
4. If a drug is not on the formulary, you may still be eligible for a discount by presenting your Rx Card at the pharmacy.

HOW THIS PROGRAM WORKS:

1. You can search for medications in the CHAMP app by selecting 'CHAMP RX Plan.' The search will indicate whether a medication is covered under the formulary.
2. If you are needing a medication immediately, utilize our retail pickup. Over 50,000 pharmacies are in our network.
3. Present your Rx Card at the pharmacy of your choice to utilize your benefits. (Pharmacy locations can be found in the CHAMP app.)

A valid prescription is required for all medications.

This a Pharmacy Subscription Program. THIS IS NOT INSURANCE. We provide you direct access to medications at negotiated PBM pricing, on a pre-paid basis. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for super-low pricing. Sometimes, this can be your lowest price option. Only certain doses and quantities for each medication are offered through this program.

Your Rx Card is NOT Insurance. Discount Only – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact customer care anytime with questions or concerns, to cancel your registration, or to obtain further information. This program is administered by Champion Health.

Pricing, program details, and formularies are subject to change without notice. Always visit website for current pricing.
